

### *Feast of the Sacred Heart of Jesus - Friday 11th June*

*1 John 4:7-16*

*My dear people,  
let us love one another  
since love comes from God  
and everyone who loves is begotten by God and knows God.  
Anyone who fails to love can never have known God,  
because God is love.*

*God's love for us was revealed  
when God sent into the world his only Son  
so that we could have life through him;  
this is the love I mean:  
not our love for God,  
but God's love for us when he sent his Son  
to be the sacrifice that takes our sins away.*

*My dear people,  
since God has loved us so much,  
we too should love one another.  
No one has ever seen God;  
but as long as we love one another  
God will live in us  
and his love will be complete in us.  
We can know that we are living in him  
and he is living in us  
because he lets us share his Spirit.*

*We ourselves saw and we testify  
that the Father sent his Son  
as saviour of the world.  
If anyone acknowledges that Jesus is the Son of God,  
God lives in him, and he in God.  
We ourselves have known and put our faith in  
God's love towards ourselves.*

*God is love  
and anyone who lives in love lives in God,  
and God lives in him.*

Dear OLA Families,

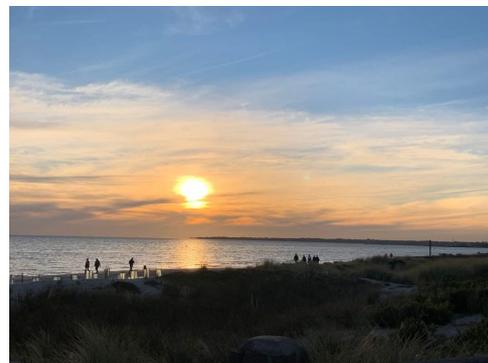

What an amazing energy there was around our school this morning - everything from big smiles to music, colour and dancing. We are delighted to have our students returning to school today after two weeks of Lockdown 4.0. We are so grateful to you all for the care and support you showed to your children and to us here at school during this time. We hope that you were able to adapt to the challenges along the way and know that especially during times like this that you are surrounded by good people in our community here at OLA. We sincerely thank you for your understanding and support in assisting the teachers with the delivery of the learning during this time. We acknowledge this would not be possible without your considerable investment and partnership. It was exciting to see the children so keen and proud to share their work from home. We will keep sharing next week too!

We are also extremely proud of our highly responsive staff here at OLA for their adaptability and flexibility in acknowledging the demands placed upon students and working families during this time. The feedback from our families strongly suggests our team has the right balance. Without doubt, the Zoom meetings for checking in, the whole class Literacy and Mathematics Zooms for explicit teaching as well as small group focused teaching Zooms enabled us to maintain a strong connection with our students during this time. In addition to these group sessions, we also thank our phenomenal intervention team, for ensuring their invaluable programs, student adjustments and needs (social & emotional and academic) were still being attended to across all grade levels.

## Moments of JOY!

Once all the assigned work tasks and Zoom meetings were completed during Lockdown 4.0 there has been some extra time for our students at OLA to: connect with nature, exercise, participate in the Push Up Challenge, tell jokes, watch the sunset, shoot goals, bake, reach out to neighbours, write letters, call loved ones around the world and even jump in puddles!!

## Returning to Onsite Learning

We have received advice from Catholic Education Commission of Victoria (CECV) regarding the Department of Health and Department of Education and Training, guidelines on returning to school. In summary, the key changes and advice are provided below:

- All classes return to a full day of onsite schooling this Friday with the regular school curriculum presented to our children.
- Parents/Carers are requested to not linger before school in the playground or the classrooms.
- Should it be necessary to enter the school buildings, parents are required to register their onsite attendance through the **QR Codes** at the different entry points.
- **Camps** can take place and we are pleased to confirm that we have been able to rebook Camp at Camp Weekaway:
  - Grade 5 students will attend camp on Monday 26th July – Wednesday 28th July
  - Grade 6 students will attend camp on Monday 2nd August – Wednesday 4th August
- **Classroom Helpers** - Unfortunately we are unable to continue this support for the time being and we hope to recommence classroom support when we return in Term 3.
- **Excursions & Incursions** - Until further notice we are unable to hold any incursions onsite or take students to offsite excursions.
- **Interschool sporting activities** - These are not permitted until further notice.
- **Assemblies and large gatherings** - only to be attended by staff and students from OLA at this time
- The **school canteen** is open on Fridays.
- **OSHClub** will operate with the normal program hours.

- **Density limits** (applies to all school settings) - the density limit of one person per 4 square metres applies to spaces used only by staff and to publicly accessible areas. It does not apply to classrooms or other areas used by students.
- We will maintain our **positive COVID-19 protocols**, including additional cleaning of high touch areas, sanitising and cleaning our hands etc.
- If you were not able to return **resources** and devices today, please do so on Tuesday.
- **Please note that Monday 14th June, next Monday, is a Public Holiday**

We thank you for your understanding at this time.

Once again Carley inspired many of us to be the best parents, workers and teachers we can be during Melbourne's Lockdown 4.0. Carley gave a great message of looking after ourselves so that we can be the best parents and teachers of our children. Later in the newsletter our Wellbeing Leader, Josy Reeder, reflects on 12 key take away messages - I hope one of them talks to you!

Already my beautiful daughter has the music playing in the morning insisting I have a dance with her before leaving the house. Music certainly helps to set the tone for the day.

This Parent Webinar was recorded and is available at <https://www.youtube.com/watch?v=hitC43IX0W4>

## OLA Parish Councilling and Psychological Services

Self care for us as parents is so important. Please note that AnneMaree Eddy is available from the Parish Office to support members of our community.

The parish provides free short term counselling to members of the Our Lady of the Assumption community (parish and school) and their families.

This can be for any issue where people need help or support over one or two sessions.

Counselling is provided by AnneMaree Eddy, Psychologist.

Psychological services are offered for more serious issues. AnneMaree also runs a private practice (from the parish offices) and is available to anyone in need.

Where possible, obtaining a referral from a GP allows her services to be bulk-billed per session, otherwise a fee of \$90 per session is charged.

Please note: All counselling is currently taking place over the phone or via video consultations due to COVID-19. If any parishioner would like to schedule an appointment, please contact AnneMaree Eddy directly on: 0403 284 536, and leave a message indicating that you're a parishioner.

## First Eucharist

We thank you Grade 3/4 families for their patience and understanding while we were waiting for advice and clarification on our guidelines as a Parish and School.

With the current COVID restrictions of 50 people at religious gatherings, and one person per four square metres, we write to inform you that we are not able to go ahead with the Sacrament of First Eucharist this term. This means that the groups scheduled for this Sunday 13th June, and as well as next Sunday 20th June will not go ahead.

All celebrations are tentatively rescheduled to the following dates:

Sunday 8th August 9am and 11am

Sunday 15th August 9am and 11am

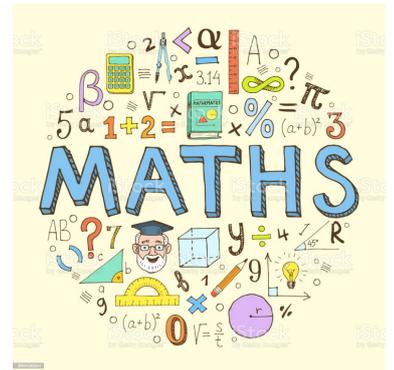

Sunday 22nd August 9am and 11am

Sunday 29th August 9am and 11am

A note will be sent out early next term for you to put in date preferences.

## Mathematics at OLA

Mathematics is a big part of our School Improvement Plan for the next four years. This year we have been so grateful to have secured a grant through Melbourne Archdiocese Catholic Schools (MACS) to work with our staff onsite twice per term. On Thursday this week our levels met with our two consultants for two hours each - what a wonderful opportunity this was to continue this great work even over Zoom. We currently have a particular focus on the Progression of Learning for Mathematics Prep-Level10. Our knowledge and understanding of Mathematics is growing each day with the best professional learning possible happening onsite within the walls of our classrooms and during collaborative planning in our teams. Thank you to our Mathematics Leader Caitlan Taig for organising this professional learning and for leading our Mathematics Team which includes: Fi Lee, Carrie Mulcahy, Michelle Congerton and Marsha Van Cuylenburg.

## Parent/Teacher Meetings

Our Term 2 Parent Teacher Meetings will go ahead in Week 9. These will be held via Zoom and booking details will be sent via Operoo early next week.

## Electronic Reports

This semester we are pleased to announce that you will be receiving your child's semester report online via the nForma Parent Portal for the first time. The benefit of electronic reports is that all your children's reports will be saved digitally in one place, allowing you access from home. This is a secure platform and requires individual parent log ins to access reports. The reports will still look the same as they have in the past and you will still be able to print them if you wish.

Instructions on how to access the nForma Parent Portal will be sent out to the email addresses that have been previously supplied to the school. These emails will be sent out on Friday 18 June.

## OLA Fete Committee

We are excited to see the volunteers growing and the donations starting to roll in for our 2021 OLA Fete. The next OLA Fete Committee is scheduled for Thursday 24 June at 7.00pm - more details to follow closer to the time. All welcome.

We are excited to announce that on the last day of Term 2, the children are welcome to wear Casual Clothes and bring a gold coin donation which will go towards our OLA Fete.

We currently have families donating preloved toys, games, books and clothes. These can be delivered to the school and left in the old staffroom or we can organise collection if that helps. Please also refer to the OLA fete flyer calling on all plant lovers and green thumbs! Please contact Claire Melican (mother of Beau 3/4MC and Ryder 5/6FJ) via email [fete@olacheltenham.catholic.edu.au](mailto:fete@olacheltenham.catholic.edu.au)

## Enrolments

We have been so proud to showcase our school to the many families interested in learning more about OLA over the last couple of months. Whilst the first round of offers have been offered we continue to welcome enrolment applications. Thank you to our community for speaking so highly of our great school - your connections and affirmations of OLA are greatly appreciated.

## EMERGENCY ASSEMBLY AREA

## Child Safety and Emergency Drills

Over the next fortnight our students at OLA will chat in their classes about emergency evacuation drills and how we remain calm and move safely around our school buildings and grounds. It is a great opportunity for you to talk about what you do at your place of work and what you might do at home so that it helps to set your child up for success. Each term we speak to and educate our students about our emergency procedures.

## Social Media

We appreciate Facebook is not everyone's cup of tea, however, we sincerely thank the many families and friends who follow us @olacheltenham - we have over 360 followers. This along with twitter and instagram is just another platform for our school to stay connected, celebrate and share the great happenings within our community.

## Class Lists

We hope that the class lists have been helpful to our OLA families. Please let us know if your information ever needs updating and we will update accordingly. A reminder that the purpose of these contact lists is to connect with families in your child's class and year level to organise play dates and birthday invites. The second purpose is for the OLA P&F to keep you updated and invite you to social and fundraising events throughout the school year. These contact lists must not be used to contact families for any other purpose, such as when an incident happens at school or when relationships between students are not going well. The correct channel in times like this is to contact us here at school. Please begin by contacting your child's classroom teacher and level leader and they will seek the assistance and guidance of the school Wellbeing Team to support children and their families with anything related to incidents that occur during school time.

## [2021 School Calendar \(click here for the link to the calendar\)](#)

The 2021 School Calendar is available on the School Website. It can be found midway on the front page under the heading 'WHAT'S ON'. Please select the tab title 'View the OLA Parent Calendar'. We will endeavour, where possible, to remain true to the dates on the 2021 calendar. We would recommend that parents make a regular visit to the school website to see updates on all school events.

### It's a Girl!!

We are delighted to share the news of the arrival of a beautiful baby daughter for Brad and Bree Hoare. Mr Hoare has been a teacher at OLA over the last 10 years and we know how proud he is to be a Dad. Our heartfelt congratulations to Brad and Bree on the safe arrival of their daughter Edie on 29 May.

## Congratulations

Congratulations to Neve on being selected in Team Vic 12 Years and Under Girls Hockey State Team 2021.

What a wonderful opportunity and thank you for representing OLA Cheltenham!! We wish you all the best for training and competition.

.....

Have a wonderful long weekend.

### Care For Our Common Home – Links with Wider Parish Community

Every two months, the Parish send out a newsletter linked to the Catholic Social Teaching of Care for Our Common Home. Please see below, a snippet from the most recent newsletter, considering a possible trip for the family to appreciate God's creation and our natural world.

Thank you to Adrian and Tony for creating these fantastic links between Church and School.

#### Visit Waterways, take the children

Waterways, tucked between Aspendale Gardens and Braeside, consists of 40% man-made wetlands that filter fresh water flowing from Dandenong and Mordialloc Creeks into Port Phillip Bay. It offers extensive walks around the lakes, or an easy 20+ minutes' walk around the main lake on Waterside Drive. Waterways adjoins Braeside Park to the north, offering further opportunities for running, walking or cycling. Take the children or grandchildren for a walk around the lake, a play on the exercise equipment, have a cuppa at *Nest at Waterways Café*. Enter from Governor Road or Springvale Road.

#### Prep Prayers of Gratitude

This week during remote learning, the Prep students have been writing prayers of gratitude for God's creation. We congratulate them all on their reflective words. Some students' prayer have been included in a video, here is the link:

[Melbourne in Lockdown 4.0: Tips for Managing as a Family by Carley McGuaran](#)

1. Smile and laugh more
2. Gratitude ...Happiness - Talk about GEM moments
3. Adjust Expectations - Expect big feelings
4. Decision Fatigue - Use the “If...then.....” rule and replace decisions with routines
5. Physical Environment - Physical space matters, bring as much of nature in the house as possible and declutter.
6. Mornings Matter - sets the tone for the day, use music to shift moods
7. Remote Learning - reach out to the school. Movement = Better learning
8. Nature - Climb trees, collect objects
9. Taming Big Feelings- Zones of Regulations

What Zone Are You In?			
Blue	Green	Yellow	Red
Sick Sad Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Mean Yelling/Hitting Disgusted Out of Control

10. Mindfulness - Mindful or Mindfulness?
11. Language Matters (to us and them) - Use positive self talk

## *How can I support my child during lockdown?*

- Talk with them about what's going on, keeping communication as open as you can. Let them know that it's okay to feel however they feel – whether that's scared, worried, angry, sad or something else. You can find our tips on starting a conversation with your child [here](#).
- Try to answer your child's questions and reassure them in an age appropriate manner. While you don't need to know all the answers, talking things through can help them feel calmer.
- Encourage your child to do the things that help them when they're finding things difficult. This will be different for everyone – it could include things like doing exercise or going for a walk, watching a favourite film, reading a favourite book, cooking or baking, talking to friends, or drawing or writing.
- Reassure them this will pass, you're there for them, and you will get through this together. Having returned to some of their normal activities for a while, going back into stricter measures might feel frustrating for your child. They may even be worried that things will never get better. Recognise how difficult this is, while also letting them know that the pandemic will not last forever.
- Spend time doing a positive activity together. This can help them to feel calmer by giving them a short break from everything that's going on. It's also a great way of providing a space for them to talk through their concerns, without having a 'big chat'. You can have a look at our [activity ideas](#) for younger children, and for [teenagers](#), to help you.
- Keep as many regular routines going as possible to help your child feel safe and secure. This can include things like having regular times for going to bed, waking up, eating meals and doing hobbies.

## Supporting reading at home

### The Three Ways of Thinking

<b>Literal</b>	Your thought was stated directly in the text, like a fact from the text.
<b>Inferential</b>	Your thought was not stated directly, but there is evidence for it in the text; it is hinted at, suggested, or implied.
<b>Critical</b>	Your original thought, opinion, connection, or critical question related to the text.

When children read and are asked questions, they will think and answer literally. To support your child with developing more complex comprehension skills, use inferential and critical thinking questions types to check comprehension.

**Inferential Questions to Ask  
(DURING READING)**

**BACKGROUND KNOWLEDGE + TEXT CLUE = INFERENCE**

- why...
- why do you think...
- what is the problem?
- why did the character...
- what can you conclude about...
- what is most likely true about...?
- predict what would happen if...
- predict what will happen when...
- what lesson does this text teach?
- How does the author feel about...?
- How did the character feel when...?
- what generalization can you make?
- what lesson did the character learn?
- From this story, you could probably guess...
- what would happen in a sequel to this story?

# iSea iCare Newsletter Tip

## Tip #4 Use a refillable drink bottle

A reusable water bottle helps reduce the plastic on landfills, oceans, streams and other places that plastic waste ends up at. Animals are also affected by the chemicals and can get injured or die, because of the poison that's in the air. Using a reusable water bottle shows that you care about the environment and you bring awareness. You are probably doing your body more harm than good when you use a plastic water bottle, and you are putting an extra water bottle onto the dump sites. I don't think we want our world to look like this.

# AUSTRALIAN MATHEMATICS COMPETITION 2021

Preparation and planning for the 2021 Australian Mathematics Competition (AMC) is well under way. The AMC is an engaging 30-problem competition that demonstrates the importance and relevance of Mathematics in students' everyday lives; it is open to students in Grades 3 to 12. The students are given 30 minutes to complete the mathematical assessment.

Families will be contacted on Tuesday and Wednesday, with students being invited to participate by the classroom teacher, Mathematics Leader and Principal using assessment data to determine which students might benefit from the opportunity.

If you are not contacted and would like your child to participate, please contact Caitlan Taig on 9585 9588 or [ctaig@olacheltenham.catholic.edu.au](mailto:ctaig@olacheltenham.catholic.edu.au) for more information.

# OLA FETE 2021: CALLING ALL PLANT LOVERS AND GREEN THUMBS!

THE PLANT STALL IS ONE OF THE MOST SUCCESSFUL AND MOST LOVED STALLS AT OUR FETE. BUT THIS YEAR WE NEED YOUR HELP TO MAKE SURE IT IS BLOOMING AND BIGGER THAN EVER.

We are looking for people who can:

- Donate indoor/outdoor plants, indoor/outdoor plant pots (can be creative) or source donations for the stall; or
- Propagate plants that you may have in your garden/home to donate to the fete. Even if it is just a few – every little bit helps;

We are also looking for a plant stall coordinator.

If you think you can do a good “seed” and lend a hand for the plant stall – it’s thyme to get growing. Please email me at [fete@olacheltenham.catholic.edu.au](mailto:fete@olacheltenham.catholic.edu.au) to let me know if you can coordinate or donate.

Many thanks

#### Activity Changes

If an excursion or incursion (due to unforeseen circumstances) is cancelled, the activity will either be postponed or an alternative activity of equal value will be provided where possible.

#### Before making your booking & cancellations

All children must be enrolled with OSHClub prior to booking via [oshclub.com.au](http://oshclub.com.au). Bookings made within 5 days for a Vacation Care session will incur an extra charge of \$4.00 per day per child. 7 days notice is required for cancellation of a Vacation Care booking to ensure you will not incur out of pocket costs. Please note that bookings cannot be made online within 5 days of the session commencing. In order to book within this period, you will need to contact the service directly, the Customer Service and Billing Team on 1300 395 735 or by emailing [oshaccounts@junioradventuresgroup.com.au](mailto:oshaccounts@junioradventuresgroup.com.au)

#### Child care subsidy

Our services are registered with Centrelink, so you will be able to claim Child Care Subsidy on your fees. For further information please visit [www.education.gov.au/childcare-FAQ](http://www.education.gov.au/childcare-FAQ)

#### Children with additional needs

We support all children including children with additional needs. If you would like to provide additional information about your child and his/her needs or require inclusion support funding, please contact us 6 weeks prior to program commencement on 0478 100 455 for staffing purposes.

## REIMAGINE. RECREATE. RESTORE

2021's World Environment Day theme  
is ecosystem restoration

This year, we're starting from the ground up. We can't go back in time to when the world was a greener place, but what we can do is plant trees, clean our oceans and rivers, and make peace with nature that fuels our everyday lives.

The world is asking you to be bold and join the fight for  
#GenerationRestoration

We are only as healthy as our planet, and we all depend upon a healthy ecosystem in order to thrive. We need to act as a unit to bring our degraded ecosystems. There are so many ways in which we can do our bit for the environment and help mother nature spring back to life! By doing things like planting trees, cleaning up riverbanks, or simply giving nature space to recover, we can increase their benefits to society and biodiversity.

## OUR LADY OF THE ASSUMPTION

**RCIA - Curious about the Catholic Faith? Do you know someone interested in becoming a Catholic? Are you interested in supporting those on their journey of Faith?** Our Parish RCIA Team will soon commence the 'Journey of Faith' to Easter 2022, where those seeking to become Catholic will be formally received into the Church, through the Sacraments of Initiation. **The Rite of Christian Initiation of Adults**, leads adults seeking membership of the Church, through a process of discernment, exploring many facets of the Christian life. An invitation is extended to anyone seeking Baptism, as well as to those baptised in another denomination who seek full communion with the Catholic Church. If you'd like to be involved, or able to support those undertaking the journey to Easter, please contact Moira on 9583 4628. Its early days, and we will keep you informed.
